

## Handbook

Fount je modulární stolový systém ocelové konstrukce, vhodný do běžného administrativního provozu všech typů kanceláří, call center, zasedacích či školících místností, knihoven apod. Základními prvky konstrukce jsou univerzální podélníky, bočnice v celé řadě provedení a stolová deska. Systém doplňuje bohatá nabídka příslušenství elektroinstalace a paravánů.

The Fount is a modular steel frame desk system intended for general office environments as well as call centres, meeting rooms and training rooms, libraries etc. The basic elements of the construction are universal stretchers, sides in a variety of designs and a table top. The system is complemented by a wide range of wiring accessories and screens.

### Bočnice | Side leg

### Deska stolová | Desktop

### Systém určení rozměrů | Dimensioning system

Rozměry jsou určeny z pohledu uživatele, případně podle orientace let u dřevodekoru.

The dimensions are determined from the user's point of view, or according to the orientation of the wood decor grain.

W - hrana rovnoběžná se směrem let | edge parallel to the wood decor grain

D - hrana kolmá na směr let | edge perpendicular to the wood decor grain

H - 750 mm včetně stolové desky 18 mm | 750 mm incl. desktop thickness 18 mm
