Person responsible for correctness of this certificate:

České Budějovice, 28 January 2022

Milan Pálka, M.Sc.
Deputy Head of Certification Body

Enclosure to the Certificate No. 100-065550

Certificate validity and use conditions:

1. The conformity certificate must be used only for purposes which it was issued for.
2. The certificate holder is obliged:
 - a) to inform the Certification Body about all changes: products or production process modifications, material changes, changes of production control system, that have an effect on conformity of the product certificated;
 - b) to report the Certification Body on changes in the ownership, structure or management;
 - c) to keep records on complaints concerning disconformity of the product certificated with requirements of relevant standards;
 - d) to take adequate measures to eliminate disconformity and to document measures taken;
 - e) to submit the above mentioned records on complaints to the Certification Body on its request;
3. The Certification Body executes the repeated product evaluation in case of changing technical specifications.

This enclosure is an integral part of the certificate No. 100-065550

České Budějovice, 28 January 2022
